

NOTICE

MANITOBA JUSTICE – COURTS DIVISION

INTERAC e-TRANSFER PAYMENTS FOR BAIL

Effective June 25, 2020 the Courts Division began accepting payments for bail by Interac e-Transfer. This will allow an accused person or their sureties to make a payment without having to travel to their nearest court centre.

Funds must be in Canadian currency and can be received 24 hours a day, 7 days a week. The Interac e-Transfer send limit is based on the client card's daily access limit. The payer will need to be aware of their limit when sending a payment and request an increased limit from their financial institution if required.

Courts is using the Auto-Deposit feature so a security question and answer is not needed. Please note that the payer's financial institution must be an Auto-Deposit participating bank or credit union to use this payment method with the Courts.

To pay by e-Transfer, the accused person or surety should contact the court office they are dealing with for the email address and any other necessary instructions. On weekdays during normal business hours (8:30 a.m. to 4:30 p.m.), these numbers are:
