

MEMORANDUM

Tuesday, December 4th, 2001

TO: L.E.R.A. File #5138
Complainant - N P.

FROM: Judge Charles N. Rubin

RE: Review Hearing
November 28th, 2001 – 10:00 a.m.
Courtroom 316, Law Courts Building

Present: Commissioner – Mr. G. Wright
Counsel for Commissioner – Mr. Aaron Berg
Counsel for Officers – Mr. John Harvie
Mr. N. P. for himself.

After hearing representations, an Order for Non-Publication was granted on the request of Mr. Harvie.

After hearing representations on the issue of whether the Commissioner came to the correct conclusion to take no further action on the complaint. The complainant made representations but had no further evidence to present. Nor was I satisfied that a discretionary order to call more evidence would be of any assistance with respect to the Commissioner's decision.

Therefore, I am satisfied that the Commissioner did not err in coming to the decision that he did and the Application to Review was dismissed.

Judge Charles N. Rubin
