Child Talent Agency Business

All child talent agency businesses in Manitoba must be licensed to legally promote or seek work for a child performer.

Licensed child talent agency businesses can only promote or seek work for a child performer if the child holds a work permit issued by the director of Employment Standards, or is a member of the Alliance of Canadian Cinema, Television and Radio Artists (ACTRA) and is performing work at a workplace where ACTRA is the child's bargaining agent.

Currently no licences

Child Performer Recruitment

Child performer recruitment means the activities of auditioning, scouting or recruiting a child under the age of 17 for the purpose of referring the child to a person engaged in a child talent agency business.

All businesses engaged in child performer recruitment are required to have a licence from Employment Standards unless the child is a member of the Alliance of Canadian Cinema, Television and Radio Artists (ACTRA) and is performing work at a workplace where ACTRA is the child's bargaining agent.

No other person or business can legally engage in child performer recruitment in Manitoba.
