ADJOURNED DEBATE (Seventh Day of Debate):

On the Proposed Motion of Ms. LATHLIN –

THAT the following address be presented to Her Honour the Lieutenant Governor:

We, the Members of the Legislative Assembly of Manitoba, thank your Honour for the gracious speech addressed to us at this Fifth Session of the Fortieth Legislature of Manitoba.

And the Proposed Motion of Mr. PALLISTER in amendment thereto as follows:

THAT the motion be amended by adding at the end the following words:

But this House regrets:

- a) That the Provincial Government has refused to listen to Manitobans who are tired of broken promises such as the commitment to balancing the budget by 2014 without raising taxes; failing to respect the right to vote on tax increases and not recognizing that Manitobans want a change for the better; and
- b) That the Provincial Government has failed to recognize Manitobans are paying more and getting less due to an average family in Winnipeg having to pay more than \$3,200 in additional provincial taxes than a comparable family living in Regina, yet front line services like health care and education being ranked last in the nation; and
- c) That the Provincial Government has failed to acknowledge that self-promotion and wasteful government spending has caused the provincial debt to double since 2008 requiring Manitobans to pay more than \$800 million in debt interest charges which threatens Manitoba's future as that money cannot be invested to protect essential frontline services, reduce health care wait times or improve education results for our children.

As a consequence of these and many other failings, the Provincial Government has thereby lost the trust and confidence of the people of Manitoba and this House.

(Hon. Mr. SARAN – 26 mins.)
