RESOLUTION:

Mr. SMOOK – Transparency Lacking in Routing of Manitoba-Minnesota Transmission Line

1. WHEREAS the Manitoba-Minnesota transmission line is a 213 kilometer transmission line that will run from northwest Winnipeg to the Manitoba Minnesota border and will run through or come close to many communities in southeastern Manitoba including Anola, Ste. Genevieve, Richer, La Broquerie, Sundown and Piney; and

WHEREAS the Manitoba-Minnesota transmission line is expected to be built between 2017 and 2020 at a total cost of approximately \$850 million dollars; and

WHEREAS Manitoba ratepayers will pay \$596 million dollars for the construction of this line, including \$294 million dollars for the portion of the line on the U.S. side of the border but Manitobans will retain only 49% ownership of the line; and

WHEREAS the preferred routing for the Manitoba-Minnesota transmission line will go through many densely populated areas which is intrusive to the residents of southeast Manitoba; and

WHEREAS the Official Opposition has repeatedly asked Manitoba Hydro for the analysis that led to the selection of the preferred route and that has not been provided; and

WHEREAS Manitobans know that the Provincial Government has a history of interfering in operational decisions at Manitoba Hydro, including the routing of the Bipole III transmission line; and

WHEREAS the residents of southeastern Manitoba and indeed all Manitobans deserve a Provincial Government that is open and transparent about the decisions that led to the preferred route of the Manitoba-Minnesota transmission line.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba request that the Minister responsible for the administration of The Manitoba Hydro Act immediately release the reasons for the selection of the preferred route of the Manitoba-Minnesota transmission line.
