## **RESOLUTION:**

### **Mr. WOWCHUK – Respecting Manitoba's Climate and Green Plan**

9. WHEREAS climate change is real and Manitobans all have a role to play in protecting the environment while growing the economy; and

WHEREAS the Provincial Government's Climate and Green Plan continues investments in renewable energy, while encouraging Manitobans to reduce energy consumption; and

WHEREAS the Federal Government has acknowledged that the Provincial Government's Climate and Green Plan is the best in Canada; and

WHEREAS the Federal Government has made exceptions for other provinces and not imposed a carbon tax upon them; and

WHEREAS an increasing carbon tax is not a climate plan but rather an escalating tax plan, which takes money off Manitoban's kitchen tables and threatens jobs and economic growth throughout the province; and

WHEREAS in addition to the Climate and Green Plan, the Provincial Government has established a \$102 million Conservation Trust to protect and enhance natural infrastructure in the province; and

WHEREAS the Provincial Government values the need to invest in a green economy, increasing exports of green energy, and increasing support for sustainable farming practices; and

WHEREAS the Federal Government's "one size fits all" carbon tax achieves none of these goals.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba call on the Federal Government to respect Manitoba's investments in a green economy, and its Climate and Green Plan and not impose an unfair carbon tax on Manitoba.

**Ms. LATHLIN – Mental Health supports needed for youth in Manitoba's north**

5. WHEREAS access to mental health treatment and service providers is limited or inaccessible within many First Nations communities in northern Manitoba and;

WHEREAS many First Nations' reserves in Manitoba do not have permanent mental health therapists and those that do are understaffed and;

WHEREAS individuals seeking mental health and psychiatric support often have to bear the cost of leaving their home community and travelling to Winnipeg to access services and;

WHEREAS the Provincial Government has cut \$6 million from the northern health region, increasing the burden on healthcare workers and reducing access to services for patients and;

WHEREAS the Virgo report on mental health and addictions in Manitoba conducted a survey of Opaskwayak Cree Nation and found that over 50% of adults were diagnosed with depression or anxiety and;

WHEREAS suicide rates amongst First Nations' people are double the national average and;

WHEREAS the Manitoba Advocate for Children and Youth indicated a lack of resources in the Child and Family Services system (CFS), where 90% of children are Indigenous, means kids are at "imminent risk of death and dying" from addictions, mental health and suicide and;

WHEREAS the province is battling an addictions crisis and wait times for treatment for addictions can be months and is not even available on most reserves and;

WHEREAS the impacts of colonialism and Residential Schools has led to intergenerational trauma, systemic poverty, and overrepresentation in CFS amongst Indigenous peoples which contributes to mental health and addictions issues.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to take immediate action to fund mental health services that will make trauma-informed and culturally appropriate care available in northern and remote communities.
