**RESOLUTION:**

**Mr. WISHART – Calling on the Federal Government to Strengthen the Bail Provisions to Address Rising Violent Crime Rates**

2. WHEREAS Canada is experiencing a rising rate of violent crimes and offences and Manitoba has not been immune to this national trend; and

WHEREAS British Columbia, Alberta, and Saskatchewan have also witnessed this trend and, as violent crime rises, innocent Canadians are being victimized by violent repeat offenders; and

WHEREAS many of those who are committing these violent crimes are known to police and the justice system and have been put out on bail despite having a history of, and being accused of, committing more violent acts; and

WHEREAS Winnipeg has unfortunately already seen the highest amount of homicides this year; and

WHEREAS this Provincial Government is united in standing up for the victims of violent crimes, domestic violence, and survivors of sexual abuse; and

WHEREAS this Provincial Government is committed to ensuring that preventative changes are made to improve the safety of all Manitobans; and

WHEREAS the Federal Government has the jurisdiction over the Criminal Code of Canada and has the authority to enact public safety measures to ensure that those who are at risk to reoffend are not granted bail; and

WHEREAS the federal Liberal-NDP coalition could join the Provincial Government on the right side standing up for Manitobans and working to ensure their safety; and

WHEREAS those who are being victimized by violent crime should have the assurance that regardless of the weapon that was used during the crime that they receive justice.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba be urged to unite in calling on the Federal Government to improve criminal legislation and make changes that would add knives to the provisions that invoke the reverse onus under section 515(6) of the Criminal Code to make it safer for Canadians by ensuring that violent offenders who apply for bail are properly considered.
