DEBATE ON RESOLUTION:

Mr. GUENTER – Right to Defend Your Home and Family

23. WHEREAS those in this Chamber acknowledge violent crime has become an epidemic in Manitoba, as exemplified by the recent violent home invasions and aggravated assaults of two Winnipeg seniors and a couple in Thompson; and

WHEREAS the soft-on-crime laws of the Liberal Federal Government and the Provincial Government have created a scenario where violent repeat offenders can be released on bail to re-offend within hours; and

WHEREAS in rural and remote communities, law enforcement presence and policies are often insufficient to ensure a timely response in an emergency situation; and

WHEREAS sections 34 and 35 of the *Criminal Code* of Canada allows Canadians to use “reasonable” force to defend themselves, others, and their property; and

WHEREAS too often, people in that situation must make a split-second, life-and-death decision and do not have time to consider the nine questions and conditions currently specified in the law; and

WHEREAS too often, those individuals who must make that split-second, life-and-death decision are hounded by the criminal justice system afterwards, while the real criminals go free; and

WHEREAS responsibility for incidents of this nature should lie solely with the criminal who illegally enters someone’s home and assumes the risks associated therewith, not the person who rightfully lives there; and

WHEREAS being the victim of a crime and possibly facing prosecution for acting in self-defence has negative impacts on the mental health, financial health, well-being, and sense of safety for Manitobans and Canadians; and

WHEREAS the *Criminal Code* needs to be amended to reduce and clarify the conditions of self-defence in situations where people illegally enter their home and pose a threat to themselves or others, eliminate the duty to retreat before using force before acting in such self-defence, and provide civil and criminal immunity to persons who legitimately take such actions against illegal intruders; and

WHEREAS Canadian juries have consistently upheld the self-defence rights of homeowners in relation to people and property, as everyone has a right to feel safe in their own home.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba call on the Federal Government to amend the *Criminal Code* to clearly establish that a person is justified in using reasonable force, including deadly force, to protect themselves, their family, others, or their home when an individual unlawfully enters or attempts to enter their dwelling and is reasonably perceived to pose a threat to life or safety.
