NOTICE OF MOTION FOR THE NEXT THURSDAY OF PRIVATE MEMBERS' BUSINESS:

PROPOSED RESOLUTION:

Mr. NARTH – Affordability and the Economy

1. WHEREAS the Provincial Government has made multiple disingenuous commitments to Manitobans regarding household affordability, specifically committing to lowering grocery prices; and

WHEREAS since this Provincial Government took office, Statistics Canada has calculated Manitoba's food inflation rate at 7.7 per cent despite commitments to Manitobans to reduce these costs; and

WHEREAS the Provincial Government's half measures have made no tangible impact on the price of groceries; and

WHEREAS one in four Manitobans struggle to put food on their table while 42 per cent of Manitobans are struggling to make ends meet; and

WHEREAS the recent decisions of the Provincial Government to increase income taxes and school taxes on every Manitoban will compound the affordability and cost of living crisis; and

WHEREAS the Manitoba employment rate has plummeted, meaning more unemployed Manitobans struggling to meet basic needs; and

WHEREAS declining employment opportunities are forcing Manitobans to pursue work beyond provincial borders; and

WHEREAS youth unemployment has risen substantially under the Provincial Government, meaning youth have fewer opportunities to look forward to in the province; and

WHEREAS Manitoba's rate of inflation is the second highest amongst all the provinces; and

WHEREAS property taxes and other taxes are 19.5 per cent higher year over year; and

WHEREAS the provincial economy is struggling under the management of the current Provincial Government, leading to higher taxes, higher fees and rates that are making life more unaffordable for all Manitobans.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba call on the Provincial Government to apologize and urge it to immediately fulfill the promises made to Manitobans by abandoning reckless policies and supporting real economic growth in Manitoba to address the ongoing affordability crisis.
