**RESOLUTION:**

**Mrs. SCHOTT – National Strategy for Silver Alerts**

7. WHEREAS the safety and well-being of older adults and people living with Alzheimer’s disease, dementia, or other cognitive impairments is a priority for the Provincial Government; and

WHEREAS across Canada, seniors and vulnerable adults living with Alzheimer’s disease and dementia frequently go missing, prompting urgent searches, placing families under immense stress, and highlighting the need for a coordinated system to protect those at risk; and

WHEREAS critical incident reviews and missing-person investigations across jurisdictions have repeatedly identified gaps in care planning, communication, and system response. Gaps that, if addressed, could prevent similar incidents and strengthen safeguards for vulnerable adults; and

WHEREAS families affected by these incidents, including many who have experienced the disappearance of a loved one, have advocated nationally for improvements to the Alert Ready national public alerting system to issue silver alerts, gathering thousands of signatures from people across the country in support of stronger, more consistent protections for missing vulnerable adults; and

WHEREAS the Provincial Government has taken meaningful steps to improve the quality of life for people living with Alzheimer’s disease, dementia, or other cognitive impairments, including new investments in community supports, caregiver assistance, and programming to help prevent missing-person incidents and ensure vulnerable Manitobans are safe; and

WHEREAS the Provincial Government created a new, independent Seniors’ Advocate to listen to seniors and advocate for the supports Manitoba seniors need; and

WHEREAS the Federal Government has recently made investments to support people living with Alzheimer’s disease, dementia, or other cognitive impairments and their caregivers, demonstrating a shared national commitment to improving dementia care, but recognizing that more action is needed to strengthen public safety and coordinated response systems; and

WHEREAS a modernized, standardized, and nationally coordinated silver alert strategy would ensure consistent protections across jurisdictions, strengthen communication between provinces, and provide families with greater peace of mind; and

WHEREAS a renewed national approach would support the work already underway in Manitoba, enhance system-wide coordination, and respond directly to what thousands of Canadians have called for through their advocacy and petitions.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to encourage the Federal Government to develop and advance a renewed national silver alert strategy that strengthens protections for missing senior and vulnerable adults, supports families, and ensures consistent, coordinated action across Canada.
