## Selection Process

Each year, the Legislature Assembly invites Superintendents and Principals to nominate students whom they would consider suitable for appointments as Pages. The Principals are asked to forward the names of their nominees to the Superintendent of their division. The Superintendent will then forward these names to the Clerk's Office. Any eligible student interested in serving as a Page should contact the Principal of their school.

The final selection process involves an appraisal of all the nominees through interviews conducted by the Sergeant-at-Arms, the Deputy Sergeant-at-Arms and a Human Resources Officer.

Ten applicants are chosen each year to serve as Pages. Successful applicants are provided with training, uniforms, and instruction manuals.
