# Subdivision Application

#### under The Planning Act C.C.S.M. c. P80

## Before You Start

Meet with a planner at your local Community Planning office to discuss your proposed subdivision.

## **Application Requirements**

a subdivision application form with all questions answered, and signed by the registered owner and applicant

a Subdivision Application Map (submitted as a TIFF image and a hard copy) prepared by a Manitoba land surveyor showing:

- ties to a minimum of two survey monuments
- proposed lot(s) with dimensions, area and angles
- location of all buildings on foundations and fixed structures
- driveway(s) including the current and proposed access
- onsite wastewater management systems and distance to proposed lot lines
- well
- existing above-ground utilities
- existing tree line and edge of field
- major water bodies
- title search

A Subdivision Application Map is a requirement for all subdivision applications under the Subdivision Regulation and it must be prepared by a Manitoba land surveyor. Refer to the *Planning Resource Guide: Subdivision in Manitoba* for more details on application and map requirements.

Status of Title(s) for all land to be included in the subdivision from a Manitoba land surveyor. The Status of Title(s) cannot be more than 30 days old.

a cheque or money order for \$510 payable to the Minister of Finance.
 \*NEW\* - Online Visa and MasterCard payments are available for complete applications.
 Please contact your regional Community Planning office for information.

#### Submission

Mail or drop off the completed application form, the required application fee, map, titles, and any supporting documents to your local Community Planning office.

Your application will be considered incomplete and returned if any of the above requirements outlined in Section B are missing.

**Refund Policy**: The application fee will only be refunded if the application has not been circulated to reviewing agencies.
