RESOLUTION

Resolution # 2021-219

Agenda Item # 5.1 August Special Meeting

Moved By : Gerald Doell

Seconded By : Darcy Meloney

WHEREAS the Planning Act requires a conditional use application for livestock operations involving 300 or more animal units; and

WHEREAS Topigs Norsvin Canada Inc. (herein, the "Applicant") has submitted Conditional Use Application 2021-CU-08 to establish a pig operation made of 1,600 sows-farrow to weanling, 8,300 weanlings, nursery and 255 growers/finishers (710 animal units) and a proposed accessory multiple (2-unit) farm residence for caretaker and staff within an Agricultural Zone (AG) on W ½ of NW 25-17-12W (herein, the "Property"); and

WHEREAS the application underwent a technical review by the Province of Manitoba in accordance with Part 7, Division 2 of the Planning Act; and

WHEREAS the Technical Review Committee Report No. 12-083 contains the following conclusion with respect to this matter:

"The information contained in the Site Assessment submitted by the proponent generally meets Provincial requirements. In addition, based on available information it has been determined that the proposed operation will not create a risk to health, safety or the environment, or that any risk can be minimized through the use of appropriate practices, measures and safeguards."; and

WHEREAS the Municipality held a public hearing on July 8, 2021 to receive representations of the Applicant and any other person; and

Therefore Be It Resolved That Conditional Use Application 2021-CU-08 by Topigs Norsvin Canada Inc. to allow a pig operation of 1,600 sows-farrow to weanling, 8,300 weanlings, nursery and 255 growers/finishers (710 animal units) and a proposed accessory multiple (2-unit) farm residence for caretaker and staff within an Agricultural Zone (AG) located on W ½ of NW 25-17-12W be approved subject to the following conditions:

1. The Applicant must comply with all federal, provincial and municipal regulations and by-laws regarding this development.
2. The Applicant must enter into a Development Agreement with the Municipality of Westlake-Gladstone with the Applicant being responsible for the following:
 1. install immediately and maintain in good condition a storage cover that has been designed and engineered to the Municipality's requirements on all manure storage facilities;
 2. install and maintain shelter belts on all sides of the property that include 3 rows of trees that are suitable for soil type and local climate and that consist of a variety of fast and slow growing trees;
 3. contributing toward the Municipality's increased operation and maintenance costs concerning the municipal roads designated for use by the Applicant with an annual contribution of \$15,000.00, with an annual increase based on the increase in the Consumer Price Index (Manitoba);
 4. accessing the Property by means of municipal roads designated by the Municipality in the Development Agreement;
 5. all initial costs for road construction to build or upgrade roads designated for access as detailed in the Development Agreement;
 6. site drainage and flood protection plan;
 7. water source backup plan for pigs during drought and any connection to the Yellowhead Regional Water Co-op system must be negotiated with Co-op with the applicant responsible for costs to construct any new water lines required;

8. dust control to the Municipality's standards, placed on 1 mile of primary road adjacent to the Property a minimum of once per year with the first application no later than June 15th; and
9. the intensive livestock operation shall involve and produce no more than 710 animal units.
