

Manure Spread Agreement

This agreement made this 27 day of Feb, 2023

Between Duurd Vankommen (Livestock Operator)

And: J-P Lefloch (Landowner)

The Landowner grants the Livestock Operator full and exclusive rights to applying hog manure onto the described land subject to the following terms and agreements.

1. The Livestock Operator agrees to apply manure in such a way that it complies with Environmental Regulations and that it follows general soil fertility recommendations.
2. The Landowner agrees to allow the Livestock Operator or its agents full rights of access to the described land for the purpose of soil testing, manure application and other related activities.
3. Should the Landowner decide to sell the land described, the Landowner shall notify the Livestock Operator prior to selling so that the Livestock Operator can transfer the existing manure spreading agreement to the new owner if desired.
4. This agreement will remain in effect for a period of 3 years.
