

Bulletin #2020-27

MANITOBA INFRASTRUCTURE AND MUNICIPAL RELATIONS

Important Notice to all Chief Administrative Officers

**Disaster Financial Assistance (DFA) Program
Manitoba Municipalities Online Portal**

The Department of Infrastructure and the Department of Municipal Relations are pleased to announce the new online Disaster Financial Assistance (DFA) claims portal on Manitoba Municipalities Online.

This initiative is in response to the 2018 DFA program review, where stakeholders recommended that digital methods for submitting documentation should be available along with online access for checking the status of current claims.

Municipalities may now submit DFA documents directly and confirm receipt of documents through the Manitoba Municipalities Online portal.

Should you require additional information about the DFA program, please contact Manitoba EMO at 204-945-3050 or 1-888-267-8298, or by email at dfa@gov.mb.ca.
