

Bulletin #2021-13

MUNICIPAL RELATIONS

Important Notice to all CAOs and Municipal Staff

Updates to Manitoba Municipalities Online (MMO)

Municipal Relations has updated MMO to better support municipal operations. These features will provide access to historical Municipal Relations bulletins, and better assist municipalities with preparing tax statements.

New features include:

- access to historical bulletins
- access to arrears and credits verification
- access to the status of tax statements production for each municipality
- a new instruction guide and several templates to help facilitate the tax statement process and other processes

Links to access historical bulletins, arrears and credits verification, and the status of your municipality's tax statement production are available from the MMO homepage after log-in. Please see Bulletin #2021-14 for additional instructions for accessing the new instruction guide and templates for tax statement and other processes.

Municipal Relations and the Manitoba Municipal Administrators Association formed a working group in late 2020 that is actively working to provide advice on future changes to MMO.

Please Note: Municipal Relations advises that MMO servers have been upgraded. These changes will improve website functionality and facilitate future updates.

As a result, **MMO has a new internet address**. Old links to MMO will no longer be functional, including bookmarks, favourites and saved links. If you encounter a broken link (error message), or are unable to see the above changes, please note that this may be due to the new address. The new MMO address is:
<https://www.gov.mb.ca/mao/subscriber/login.aspx>.

This link will bring you to the new MMO login page, which can be saved as a favourite or bookmark for easy access.

If you require additional information, please contact Municipal Relations at (204) 945-2572 or email mrmca@gov.mb.ca.
