**2022 AMM Convention – Schedule of Municipal
Meetings with Cabinet Ministers**

The Manitoba government would like to thank all municipalities that submitted requests to meet with Cabinet Ministers to discuss important local issues during this year's AMM Convention.

The final schedule of municipal meetings with Cabinet Ministers is attached for your convenience. Municipalities are encouraged to review the meeting schedule to ensure they are aware of any scheduled meetings they may have with Cabinet Ministers over the course of this year's Convention.

Please be advised that the final meeting schedule will also soon be available to view on the AMM Convention website: <http://www.amm.mb.ca/events/event/2022-fall-convention/>

Note: This schedule is subject to change, so please check with the Ministers' meeting coordination table at Convention for updates.

Significant effort was made to accommodate every meeting request that the Manitoba government received. However, given the volume of requests, and limited time and availability of Cabinet Ministers to attend this year's event, not all requests were able to be accommodated.

Questions regarding the scheduling of your meeting can be directed to Tara Urbanowich at tara.urbanowich@leg.gov.mb.ca or 204-945-5642.
