**2022 MUNICIPAL ASSET MANAGEMENT  
STATUS REPORT  
DUE FEBRUARY 10, 2023**

Municipalities are required to demonstrate progress on the development and implementation of formalized Asset Management Plans (AMP) as outlined in their federal Gas Tax Fund (GTF) agreement. Annual reporting on the status of municipal asset management planning is required to document this progress.

The 2022 Municipal Asset Management Status Report is now available through the Manitoba Municipalities Online (MMO) website at <https://web22.gov.mb.ca/mao/subscriber/login.aspx>.

Please submit your completed report through MMO by **February 10, 2023**.
