**MUNICIPAL CAPACITY BUILDING FUND
APPLICATION DEADLINE APRIL 29, 2023**

The Municipal Capacity Building Fund (MCBF) is an application-based grant program to help Manitoba municipalities perform local and regional long-term infrastructure planning, such as asset management plans. Funding is provided through Manitoba's portion of the Canada Community-Building Fund (CCBF), formerly called the federal Gas Tax Fund. The MCBF is separate from the CCBF allocation for municipalities.

Approximately \$780,000 in funding will be available to support capacity building projects under the MCBF.

More information about the MCBF is available through the Manitoba Municipalities Online (MMO) website at <https://web22.gov.mb.ca/mao/subscriber/login.aspx>.
