

Bulletin #2025-27

MUNICIPAL AND NORTHERN RELATIONS

**Important Notice to Chief Administrative Officers and Municipal
Finance Staff**

New Payment Option: Electronic Fund Transfer

Municipal and Northern Relations is introducing an electronic option for payments of the Property Assessment Services Levy. This option is offered in addition to the traditional cheque mailing process, and reflects the department's commitment to service improvement.

Chief Administrative Officers and financial officers of the municipalities may contact Property Assessment Services at assessment@gov.mb.ca for banking information.

Once the transfer is complete, an email must be sent from the municipality to assessment@gov.mb.ca specifying the purpose of the payment and the total amount deposited.

As a friendly reminder, 2025 Levy payments are due November 30, 2025. If you require a copy of the invoice, please contact assessment@gov.mb.ca.

For information about sending cheques by mail, please refer to Bulletin #2025-24, Canada Post Service Disruption. Cheques are defined as essential mail for the purpose of that bulletin and its attached Mail Disruption Guidelines.

If you have additional questions, please contact Property Assessment Services Branch at the above email address.
