## MESSAGE FROM THE EXECUTIVE

---

On behalf of The Municipal Board, we are pleased to present the 2018 Annual Report for the year ending December 31, 2018.

The Municipal Board is established under and operates in accordance with *The Municipal Board Act*. Section 106(1) of the *Act* requires the Board, on or before March 1 in each year, to transmit to the Minister a report for the year ending December 31 of the previous year.

The Board's duties and responsibilities are assigned to it under 15 Acts of the Legislature. For your ease of reference, a consolidated summary of the Board's 2018 activities is located on page 10. The majority of the Board's activities relate to Assessment Appeals under *The Municipal Assessment Act*, the bulk of which are assessments of properties in The City of Winnipeg

The Board undertook its biggest challenge and transformation in 2018, addressing the backlog of assessment appeals. A draft of proposed changes to the Board's procedures was presented in two separate meetings, the first with The City of Winnipeg and the Provincial Municipal Assessor, the second with agents who had outstanding appeals. All parties gave positive feedback and showed a keen willingness to work with these changes.

On May 14, 2018, just 2½ months after the idea was first conceived, the Board went live with its new Settlement model, moving away from the previous Hearing model. The new model is a much more efficient way of moving appeals through the Board. Authorities and agents alike have provided positive feedback since the inception of the new model. The Board uses continual update meetings with both authorities to discuss all matters under the Board's jurisdiction.

Borrowing By-laws under *The Municipal Act* remain consistent from last year. Most of these borrowings were handled administratively, while only a small number proceeded to hearing. In addition, the Board sat on a number of planning related hearings that took place in different Municipalities within the Province.

The complement of the Board as of December 31, 2018 is 15, which includes the Chair and Vice Chair. Our Board Members have consistently attended the Manitoba Council of Administrative Tribunals Annual Conference and Board Member seminars, as well as participated in the Board's in-house orientation and training. The Board continues to have a presence at the Association of Manitoba Municipalities ("AMM") Annual Convention and the Manitoba Municipal Administrators Association Annual Conference.

As a quasi-judicial tribunal, the Board is governed by the laws of natural justice that requires, among other things, the fair and equal treatment of all parties. The Board ensures that it provides service to municipalities and the public at-large in a fair, transparent and professional manner through consistent review of, and updates to, its

Policies and Procedures, its commitment to providing all documents in both official languages, keeping its website up-to-date and responding to all public enquiries in a timely and comprehensive manner. The Chair, Vice Chair and General Secretary hold regular meetings with the Board's Acting Chairs to provide legal and administrative updates, share hearing experiences and to address other matters. The Board also meets annually with the Executive of the AMM.

We are pleased to announce the appoint of four new Acting Chairs, Michael Kowalson, Gilles Vielfaure, Denise Carlyle, and Elisabeth Saftiuk, and thank them for their willingness to take on this added responsibility.

In closing, we wish to thank Board Members, staff, government departments, municipalities and the members of the public for supporting the Board's journey of continuous improvement.

Jeff Bereza, Chair  
Lori Lavoie, Vice-Chair  
Brenda Loewen, General Secretary

## **ROLE**

Section 15(2) of The Municipal Board Act states:

“The board shall sit at such times and places within the province as the chairman may designate; and it shall conduct its proceedings in such manner as may seem to it most convenient for the speedy and effectual dispatch of business”.

## **MISSION STATEMENT**

To deal with matters that come before the Board in a fair, impartial and timely manner.

## **GOALS**

- To process appeals, applications and referrals as expeditiously as possible.
- To conduct hearings in accordance with legislative procedures and natural justice for all parties involved.
- To render readable, reliable and quality decisions in a timely manner.
- To communicate with the general public on the role of the Board and the appeal process.
- To review and update Board policies and procedures to ensure service is provided in a timely manner and in accordance with the applicable legislation.
- To review and update administrative procedures.

## **NEW MODEL 2018**

The Board transformed its model from Hearing to Settlement in May 2018. Within the Settlement Model, are Appeal Management and Case Management Conference. All changes have been implemented in accordance with the Board’s current legislation and rules.

Appeal Management was created to efficiently manage the conduct of appeals, all appeals must go through an Appeal Management Preliminary Hearing (“Pre-Hearing”). The purpose of the Pre-Hearing is to determine “next steps” for the appeal and to schedule dates.

Unless otherwise ordered by the Board in an Appeal Management Interim Order, all appeals must go through Case Management. The purpose of Case Management is to assist parties in resolving, disposing, simplifying or expediting an appeal.

In rare cases as ordered in an Appeal Management Interim Order an appeal will move directly to hearing.
