

ILLEGAL WHITE-TAILED DEER KILLING BY DOGS

The Manitoba Conservation Officer Service is investigating an incident of two dogs attacking and killing a white-tailed deer in the town of Gladstone, MB.

The incident occurred on March 10, 2025 at approximately 2:00 p.m. on Dennis Street. Two dogs (pictured) were witnessed chasing and attacking a white-tailed deer near the town centre. The deer was dragged to the ground and mauled before dying from its injuries. It is illegal to allow a dog to chase or injure a big game animal.

Anyone with information on this incident, or other similar events, is asked to call the Neepawa District Office at **204-476-2076** or the Turn in Poachers (TIP) line at

1-800-782-0076

Callers do not need to give their name.
