

ILLEGAL ELK HUNTING

The Manitoba Conservation Officer Service is investigating the illegal killing of a cow elk in the Rural Municipality of Prairie Lakes.

On January 8, 2025 at 8:30 a.m., a cow elk was shot and killed from Road 28 North, within one kilometre west of Belmont, Manitoba. The elk was processed within 100 metres of the road.

Anyone with information is asked to call the Carberry District Office at **204-834-8800** or the Turn in Poachers (TIP) line at
