

ILLEGAL ELK HUNTING

The Manitoba Conservation Officer Service is investigating the illegal killing of a bull elk in the Municipality of North Norfolk.

The incident occurred between the evening of December 28 and the early hours of December 29, 2024. One bull elk was shot, field dressed, and then abandoned on private property. The offence occurred along Provincial Road 352, approximately five miles south of Sidney, Manitoba.

Anyone with information is asked to call the Carberry District Office at **204-834-8800** or the Turn in Poachers (TIP) line at:
