

Whitefish Lake Provincial Park

Campground Tips

- Be Wildlife Smart. Do not feed any wildlife, including birds or squirrels. You are in black bear country - secure all attractants such as food, cooking equipment and trash in a locked vehicle. Do not store food or attractants in your tent.
- Practice Leave No Trace. Pack out all gear and trash to keep the campsites clean for others.
- Keep dogs on leash and clean up after your pet.
- Learn to recognize and avoid poisonous plants such as poison ivy.
- Open fires are prohibited. Use portable stoves or fire pits provided.
- Don't Move Firewood - Moving firewood can spread harmful invasive species and destroy our forests.
- Prevent the spread of aquatic invasive species. Always clean, drain, dry watercraft and water related equipment. Visit manitoba.ca/stopais for full regulations.
- In case of injury or illness contact a Park Attendant or Park Patrol Officer. They can assist you to reach medical help.
- Full camping regulations are available in the Campers Guide, available from park offices and online at manitobaparks.com.

- Ideal place for campers who enjoy great fishing

Nestled in the Porcupine Mountain's boreal forest, this park is for those who enjoy their camping experience beyond the reaches of electrical transmission lines, but with some basic facilities. The campground has 81 sites comprised of both seasonal and nightly camping opportunities.

Whitefish Lake yields excellent fishing for northern pike, yellow perch and walleye. Nearby Cross Lake typically produces northern pike and walleye. Parking is available for visitors including room for boat trailers near the boat launch. The dock may also be used for fishing from shore.

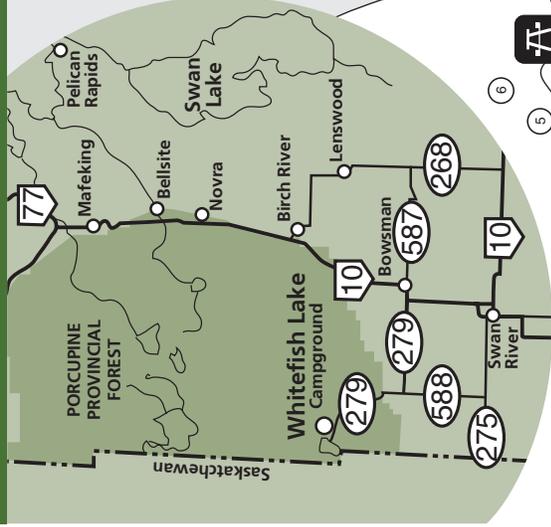

While fishing is popular, one can also dip for a swim at the beach and children can play at one of the playgrounds before relaxing around an evening campfire.

Regardless of how you spend your time here, you will want to return after experiencing its beauty and simplicity.

More information on Whitefish Lake Campground and Whitefish Lake Provincial Park is available on request from the District Office in Swan River.
