Each yurt will accommodate four adults or a family of five. A small sleeping tent may be allowed in some locations as long as the allowable number of persons on site is not exceeded.

Cooking is not permitted inside the yurt. Campers can use the firepit or bring a campstove or portable barbeque. A picnic table is provided at each site. Yurt housekeeping supplies include a broom, dust-pan, mop and garbage bags.

All yurts are 5 metres (16 feet) in diameter and many are wheelchair accessible. In consideration of other guests, yurts are non-smoking and pets are only allowed inside yurts that are designated as pet friendly. Vehicles may be parked onsite at most locations.
