

Clearwater Lake Provincial Park

Campground Tips

- **Be Wildlife Smart.** Do not feed any wildlife, including birds or squirrels. You are in black bear country - secure all attractants such as food, cooking equipment and trash in a locked vehicle. Do not store food or attractants in your tent.
- **Practice Leave No Trace.** Pack out all gear and trash to keep the campsites clean for others.
- **Keep dogs on leash and clean up after your pet.**
- **Learn to recognize and avoid poisonous plants such as poison ivy.**
- **Open fires are prohibited.** Use portable stoves or fire pits provided.
- **Don't Move Firewood -** Moving firewood can spread harmful invasive species and destroy our forests.
- **Prevent the spread of aquatic invasive species.** Always clean, drain, dry watercraft and water related equipment. Visit manitoba.ca/stopais for full regulations.
- **In case of injury or illness** contact a Park Attendant or Park Patrol Officer. They can assist you to reach medical help.
- **Full camping regulations** are available in the Campers Guide, available from park offices and online at manitobaparks.com.

Campers Cove & Pioneer Bay Campground

- Cool clear water with sandy beaches, caves and forest beckon you

A former forest reserve, Campers Cove Campground in Clearwater Provincial Park offers 79 large, level campsites with modern washrooms and showers. Seventy of the sites are electrically serviced. Families and groups can enjoy the large day-use areas perfect for a picnic or get together. A volleyball and basketball court, three playground structures, firewood and a fit pit are all within the campground area. The campground, located on the south shore of Clearwater Lake, is surrounded by the beauty of the boreal forest interspersed with meadows and Aspen/Oak Parkland.

Camper's Cove is one of three popular public beaches on Clearwater Lake. Park visitors marvel at lake water so clear you can see to the bottom of the lake. The lake is ideal for swimming as well as excellent habitat for Northern Pike and Whitefish and highly prized Lake Trout.

Discover one of Manitoba's underground wonders - the cool, dark caves of Clearwater Lake Provincial Park. Step out of the hot summer sun and into a place where water

drips off moss covered rocks and winter's ice still lingers. Created by the retreat of a vast glacier, these deep crevices formed when rock masses split away from the shoreline cliffs. Nearby boulders reveal fossilized plants and dolomite layers that provide a snapshot of the ancient sea bottom from more than 400 million years ago. Today, the caves shelter black bear, squirrels, weasels and hardy plants growing in the dim light. The park is also home to thousands of red garter snakes that spend winter below the frost line then emerge in spring for a spectacular mating ritual. Clearwater Lake Provincial Park offers a self-guiding trail with stairways and viewing platforms to observe this impressive geological marvel.

Located in northwestern Manitoba, travel 18 kilometres north of PTH (Provincial Trunk Highway) #10 and then five kilometres east on Provincial Road # 287 to arrive at Campers Cove campground.

More information on Campers Cove Pioneer Bay Campgrounds and Clearwater Provincial Park is available on request from the park office.
