In accordance with the Manitoba Environment Act (C.C.S.M. c. E125)

THIS LICENCE IS ISSUED TO:

**CHILD'S LAKE FISH ENHANCEMENT: "the Licencee"**

for the construction of the Development being a fish spawning enhancement project in Childs Lake in Twp. 30, Rge. 26E, Duck Mountain Provincial Park, subject to the following specifications, limitations, and conditions:

1. The construction and operation of the Development shall be carried out in accordance with the provisions of the Environment Act, its regulations, and other applicable laws.

2. The Licencee shall ensure the Development is maintained in a safe and environmentally sound condition. The Licencee shall be responsible for any damage caused to the Development or natural resources.

3. The Licencee shall submit an annual report to the Director of Environment, detailing the progress of the Development and any changes to the original plans.

4. The Licencee shall comply with all applicable environmental regulations and standards set forth by the Government of Manitoba.

**CONDITIONS**

1. All costs associated with the construction and operation of the Development shall be borne by the Licencee.

2. The Licencee shall obtain all necessary permits and approvals prior to commencing any work on the Development.

3. The Licencee shall notify the Government of Manitoba of any changes to the original plans or any deviations from the approved specifications.
