COMMERCIAL/RESTRICTED PESTICIDES

Empty triple rinsed containers in Manitoba can be taken to municipal pesticide container collection sites or returned to certified Agrichemical Warehousing Standards Association (AWSA) sites.

For more information:
Contact Your Local Municipality
Or; Pesticide Dealer (AWSA certified)

Unused, obsolete or unregistered pesticides should be disposed of by a licensed hazardous waste handling facility.

CropLife Canada in partnership with the Government of Manitoba has jointly sponsored the CleanFarms program in Manitoba (2008 being most recent). The CleanFarms program allows producers to dispose of any unwanted or obsolete pesticide products free of charge.

OVERSIZED PESTICIDE CONTAINERS

Pesticide containers which are oversized (over 23 litres) that are not accepted at the local municipal collection sites can be returned to where the product was purchased that has Agrichemical Warehousing Standards Association certification (AWSA).

****REMEMBER WHEN RETURNING EMPTY CONTAINERS...**

Empty, triple rinse, remove lids and label booklets!
