Dear Ms. Love:

**RE: Environment Act Licence Suspension
Discharge of Ashern Wastewater Treatment Lagoon**

This letter acknowledges the request made by the Rural Municipality of West Interlake on October 13, 2017 to commence discharge of effluent from the secondary cell of the Ashern Wastewater Treatment Lagoon without meeting the effluent limit for total coliforms as specified in Environment Act Licence 1136R.

I am granting a suspension of Clause 18(c) of Environment Act Licence No. 1136R pursuant to Section 18(1) of The Environment Act which allows you to proceed with the discharge. The suspension is in effect from October 20, 2017 to October 30, 2017 inclusive for this event.

Please be advised that if weather conditions become unsuitable, discharge must cease and authorization may be revoked. All other clauses in Environment Act Licence No. 1136R remain in effect.

If you have any questions, please contact Kurt Dorward, Environment Officer in Selkirk at (204) 785-0296.

Yours sincerely,

Don Labossiere
Director, Environmental Compliance and Enforcement
