The Rural Municipality of Springfield

## PUBLIC NOTICE

The Rural Municipality of Springfield advises the "Dust Abatement Policy" outlines the following items. A complete copy of the policy is available on our website at [www.rmofspringfield.ca](http://www.rmofspringfield.ca), or at the Public Works Department.

The policy outlines a minimum of 100' and a maximum of 500' per residence at a 50% cost share with the RM. The ratepayer will be responsible for 100% of the cost over 500' per residence.

The RM will not be responsible for any dust control placed by the ratepayer if bladed through by the RM whether or not the ratepayer has notified the RM of its placement.

The deadline will be June 1 annually to qualify for the 50% cost share, all orders after that date will be at a 100% cost to the ratepayer. You must attend in person at the Public Works Department at 27 055 Oakwood Road 64N to place your order. Orders can be placed any time after January 1. The Department accepts cash or cheque only.

The cost to residents before June 1 is \$0.40 cents per lineal foot for two passes, and doubles to \$0.80 cents per lineal foot after June 1.

The Public Works office is open Monday to Thursday from 7:00 am to 4:30 pm and Friday from 7:00 am to 3:30 pm, each day the office is closed during the lunch hour from noon to 12:30 pm.

**Morel Mushroom Field Day**  
 Saturday, May 1, 2010

 Are you interested in learning more about wild mushrooms, and in particular, morels? Would you like to learn how to tell the difference between true morels and false morels? Have you ever thought about picking mushrooms and selling them into the restaurant market? If the answer is yes, please join the Manitoba Model Forest, two Winnipeg-based chefs who are also interested in buying morels from harvesters in our region, and Dr. David Punter, noted mushroom expert from the University of Manitoba.

The field day will start with a short presentation on morels at the Winnipeg River Learning Centre, followed by a relaxing afternoon of hunting for mushrooms nearby.

**When:** Saturday, May 1, 2010  
 1:00 to 4:30 PM

**Where:** Winnipeg River Learning Centre  
 3 Walnut Street, Pine Falls

**What to bring:** Notepad and pen/pencil, sun screen, good footwear & rain jacket, hat, camera

We will try and car-pool from the Winnipeg River Learning Centre to the field location.

This workshop is brought to you by the Manitoba Model Forest. There is no cost, but please register with Bev Dube (bdube@mts.net or 340-5013) so we know how many to expect.
