Dear Denise Parent:

RE: Environment Act Licence 2519 - Licence Clause Suspension Request

This letter acknowledges the emailed request submitted by the Municipality of De Salaberry on May 20, 2022, to allow the discharge of effluent from the secondary cells of the St. Malo Wastewater Treatment Lagoon outside of the discharge dates specified in Environment Act Licence 2519.

I am granting a suspension of Clause 12(d) of Environment Act Licence 2519 pursuant to Section 18(1) of The Environment Act. This allows you to proceed with the discharge of the secondary cell of the lagoon subject to the following condition. The suspension is in effect from May 27, 2022 to June 09, 2022 inclusive.

Please be advised that if weather conditions become unsuitable, discharge must cease and authorization may be revoked. All other clauses in Environment Act Licence 2519 remain in effect.

If you have any questions, please call Nino Novelas, Environment Officer in Steinbach at 204-392-4487 or Nino.Novelas@gov.mb.ca.

Sincerely,
