Dear Mr. Massey:

**Re: Environment Act Licence Suspension
Discharge of Nopiming Provincial Park Wastewater Treatment Lagoon Secondary Cell**

This letter acknowledges your request submitted on September 25, 2017 to commence discharge of effluent from the secondary cell of the Nopiming Provincial Park wastewater treatment lagoon, without meeting the effluent limit for total coliforms specified in Environment Act Licence No. 2097.

I am granting a suspension of Clause 10 (c), pursuant to Section 18(1) of the Environment Act, which allows you to proceed with the discharge of secondary cells of the lagoon. The suspension is in effect from September 27, 2017 to October 10, 2017, inclusive for this event.

All other clauses in Environment Licence No. 2097 remain in effect.

Please contact Regional Supervisor, Diane Oertel at (204) 345-1487 if you have any questions.

Yours sincerely,

Don Labossiere
Director, Environmental Compliance and Enforcement
