Dear Mr. Spicer:

**Re: Environment Act Licence Suspension
Discharge of R.M. of Alexander, Truck Haul Highway #304 Wastewater Treatment
Lagoon**

This letter acknowledges the request which you submitted on October 12, 2017 to commence discharge of effluent from the secondary cell of the truck haul highway #304 wastewater treatment lagoon without meeting the effluent limit for total coliforms specified in Environment Act Licence No. 2271.

I am granting a suspension of Clause 15.(c) of Environment Act Licence No. 2271 pursuant to Section 18(1) of *The Environment Act*, which allows you to proceed with the discharge of the secondary cell of the lagoon. The suspension is in effect from October 17, 2017 to October 30, 2017, inclusive for this event.

All other clauses in Environment Act Licence No. 2271 remain in effect.

Please contact Regional Supervisor, Diane Oertel (204-345-1486) if you have any questions.

Yours sincerely,

Don Labossiere
Director, Environmental Compliance and Enforcement
