Tracey Braun  
Director, Environmental Approvals Branch  
Manitoba Conservation and Water Stewardship  
160-123 Main Street  
Winnipeg, MB R3C 1A5

Dear Ms. Braun:

**RE: Proposed Amendment to DGHTA Licence No. 124HW, Rural Municipality of Lac du Bonnet, Client File No.:4559.00**

Please accept this letter as a notice of alteration to the above noted Dangerous Goods Handling and Transportation Act Licence.

The Rural Municipality of Lac du Bonnet is proposing to construct and operate a Full Service Household Hazardous Waste Depot (Depot) at the Lac du Bonnet Waster Transfer Station Facility Located in the 19-15-12EPM in the Rural Municipality of Lac du Bonnet. The Location of the Depot within the overall waste management facility is illustrated on the accompanying sketch map.

The Depot will be operated in accordance with the Product Care Association (PCA) Manitoba Household Hazardous Waste Stewardship Program and the Manitoba Product Care Collection site Guidelines (Guidelines) and regulations pursuant to the Dangerous Goods Handling and Transportation Act. A copy of the Guidelines is attached. In addition, the Depot is constructed in accordance with all applicable municipal building and fire code requirements.

The Depot will handle a full range of household hazardous wastes falling into the Transportation of Dangerous Goods Act Classes 2,3,4,5,6 and 8. The estimated quantity for each of these is included on the attached Hazardous Waste Generator Registration Form.

Should you have any questions or require additional information, please feel free to contact the undersigned at 204-345-2998.

Yours truly,

Greg Mandzuk,  
Manager of Public Works Department  
Lac du Bonnet
