Dear Mr. Wenstob:

Re: Environment Act Licence Suspension  
Discharge of Wuskwatim GS Wastewater Treatment Lagoon

This letter acknowledges the request by Manitoba Hydro to discharge Wuskwatim GS Wastewater Treatment Lagoon outside of the authorized discharge period ending November 1 of any given year, as specified in Environment Act Licence No. 2699.

I am granting a suspension of Schedule A Clause 21(e) of Environment Act Licence No. 2699 pursuant to Section 18(1) of The Environment Act which allows you to proceed with the discharge of the secondary cell of the lagoon. This licence suspension is in effect from November 6, 2019 to November 20, 2019, inclusive for this event.

Please be advised that if weather conditions become unsuitable, discharge must cease and authorisation may be revoked. All other clauses in Environment Act Licence No. 2699 remain in effect.

If you have any questions, please call Jeff Fountain, Regional Supervisor at 204-677-6703.

Yours sincerely,

Shannon Kohler  
Director, Environmental Compliance and Enforcement
