Dear Darcy Hjelmeland:

Re: Rural Municipality of Gimli - Environment Act Licence No. 2587 - Notice of Alteration Approval

Thank you for your notice of alteration dated February 3, 2026. The department understands you wish to retain Cell #1 of the former wastewater treatment lagoon and restore it as a wetland site for recreational use. In accordance with the approved decommissioning plan per Clause 41 of Environment Act Licence No. 2587, Cells #1, #3 and #4 of the lagoon were to be decommissioned.

I approve the alteration per Section 14(2) of The Environment Act with the following conditions:

- The licensee shall not at any time discharge wastewater or septage into the former Cell #1 of the former wastewater treatment lagoon located on SW 09-19-04 EPM.

A revised licence will be issued that reflects this and previous approved alterations.

All other clauses of Environment Act Licence No. 2587 remain in effect. This approval is available on the public registry at <https://www.gov.mb.ca/sd/eal/registries/index.html>.

If you have any questions regarding this approval, please contact Siobhan Burland Ross, Engineering Manager, Environmental Approvals Branch at Siobhan.BurlandRoss@gov.mb.ca or 204-793-6487.
