

Notice of Environment Act Proposal

Manitoba Conservation and Climate has received a proposal pursuant to The Environment Act regarding the following operation and invites public participation in the review process:

RURAL MUNICIPALITY OF SPRINGFIELD – REGIONAL WASTEWATER TREATMENT LAGOON EXPANSION – FILE: 4929.20

An Environment Act Proposal has been filed on behalf of the Rural Municipality of Springfield for the expansion of its wastewater treatment lagoon. The expansion would involve three additional secondary cells in SE 11-11-5E, immediately south of the existing facility. Treated effluent would continue to be discharged to the Cooks Creek Diversion. The expansion would provide treatment capacity for the municipality until approximately 2032. Construction would occur in the summer/fall of 2021.

Anyone likely to be affected by the above operation and who wishes to comment on the proposal should contact Bruce Webb, Environmental Engineer, in writing or by email at Bruce.Webb@gov.mb.ca, not later than May 09, 2021. Further information is available from the Online Public Registry: www.gov.mb.ca/sd/eal/registries

Information submitted in response to this proposal is considered public information and will be made available to the proponent and placed on the public registry established in accordance with Section 17 of The Environment Act.
