Hi Bruce,

I don't have any concerns as there is no Crown land involved. I will rely on others to respond who have concerns or staff where this is their area of expertise.

**SUBJECT: Environment Act Proposal Review – File 4929.20  
RM of Springfield Wastewater Treatment Lagoon – SE ¼ 11-11-5 EPM**

---

On behalf of Municipal Relations, I have reviewed this Environment Act Proposal for a proposed Wastewater Treatment Lagoon expansion in the R.M. of Springfield. The subject lands are designated "Agricultural Preserve Area" pursuant to the Springfield Development Plan By-law 18-09 and zoned "AG: Agriculture General Zoning District" in the R.M. of Springfield Zoning By-law 08-01. "Public Utility Services," including sewage lagoons, are a permitted use in the AG zone.

Community Planning has no concerns with the Environment Act Proposal (File 4929.20).

Thank you for the opportunity to review.

Sincerely,

Larissa Sveinson  
Regional Manager
