Dear Ms. Doerksen:

**RE: Environment Act Licence Suspension
Discharge of Town of Morris Wastewater Treatment Lagoon**

This letter acknowledges the request submitted by the Town of Morris dated November 15, 2017, to allow the discharge of effluent from the Town of Morris Wastewater Treatment Lagoon outside the discharge dates and in excess of biochemical oxygen demand limit specified in Environment Act Licence (EAL) No. 2562 R.

I am granting the suspension of Clauses 11(a) and (d) of EAL No. 2562 R pursuant to Section 18(1) of The Environment Act, which allows you to proceed with the discharge of the secondary cell of the lagoon. The suspension authorizes discharge of wastewater during the period from November 16 to November 24, 2017, inclusive.

Please be advised that if weather conditions become unsuitable discharge must cease and authorization may be revoked. All other clauses in EAL No. 2562 R remain in effect.

If you have any questions, please call Dupe Ige, Environment Officer in Portage la Prairie at (204) 239-3984.

Yours sincerely,

Don Labossiere
Director, Environmental Compliance and Enforcement
