Re: Proposed application to amend the DGHTA license No. 189 HW to include Household Hazardous waste collection at the site of 868 Whytefold Road in the Village of Dunnottar

The Village of Dunnottar is operating a used oil collection site and is requesting an amendment the license to include the operation of Full Household Hazardous Waste collections depot at the Landfill site located on or at 868 Whytefold Road. See attached illustrated on the accompanying map.

The collection site will operate in accordance with the Product Care Association (PCA) Manitoba Household Hazardous Waste Stewardship Program and the Manitoba Product Care Collection Site Guidelines and regulations. The site will handle household hazardous waste falling into the Transportation of Dangerous Goods Act Classes 2,3,4,5,6, 8 and 9. The estimated quantity for each of these is included on the attached Hazardous Waste Generator Registration Form.

Should you have any questions or require additional information, please feel free to contact the undersigned at:

Yours truly,

A handwritten signature in black ink, appearing to be "J. M. Thevenot", is written over a faint, large-scale background illustration of a landscape with trees and a building.
