Dear Mr. Rempel:

**Re: Transcontinental LGM - Coronet – 737 Moray Street, Winnipeg
Request to Discharge Directly to Atmosphere**

This correspondence is in response to your February 29, 2016 request to continue operation of your facility for the period of February 29 - March 2, 2016 while conducting troubleshooting and repairs to your Regenerative Thermal Oxidizer (RTO). During this time period, Transcontinental LGM - Coronet intends to allow the printing process to bypass the RTO.

Due to the need to perform corrective maintenance of your RTO, pursuant to Section 18(1) of *The Environment Act*, Clauses 14(a) and 14(b) of Environment Act Licence No. 2719 R are hereby suspended from February 29 - March 2, 2016.

Please be advised that all other clauses of Licence 2719 R shall remain in effect. Should any changes to your maintenance schedule occur, you are required to immediately notify the assigned Environment Officer, Alvin Dyck. In addition, you are required to notify the assigned Environment Officer upon completion of work and resumption of normal activities.

Should you have any questions, please do not hesitate to contact Alvin Dyck, Environment Officer at (204) 470-7548 or alvin.dyck@gov.mb.ca.

Yours sincerely,
