Dear Ms. Stansell:

**RE: Environment Act Licence Suspension
Discharge of Riverton Lagoon**

This letter acknowledges the request by the Public Works Manager, Jason Comeau on September 25, 2017 to commence discharge of effluent from the secondary cell of the Riverton Wastewater Treatment Lagoon without meeting the effluent limit for total coliforms as specified in Environment Act Licence 2942.

I am granting a suspension of Clause 16(c) of Environment Act Licence No. 2942 pursuant to Section 18(1) of *The Environment Act* which allows you to proceed with the discharge. The suspension is in effect from September 28, 2017 until October 9, 2017 inclusive for this event.

Please be advised that if weather conditions become unsuitable, discharge must cease and authorization may be revoked. All other clauses in Environment Act Licence No. 2942 remain in effect.

If you have any questions, please call Katie Martin, Environment Officer in Selkirk at 204-485-6797.

Yours sincerely,

Don Labossiere
Director, Environmental Compliance and Enforcement
