Dear Santokh Randhawa:

Re: Environment Act Licence 2284 RRRR - Licence Clause Suspension Request

This letter acknowledges the emailed request submitted by the City of Morden on May 13, 2025, and additional information on May 14, 2025, to allow the discharge of effluent from secondary cell #1 of the Morden Wastewater Treatment Lagoon outside of the discharge dates specified in Environment Act Licence 2284 RRRR.

The department has reviewed the request and submitted information. I am granting a suspension of Clause 19(d) of Environment Act Licence No. 2284 RRRR pursuant to Section 18(1) of The Environment Act. This allows you to proceed with the discharge of secondary cell #1 of the lagoon. The suspension is in effect from May 15, 2025 to May 29, 2025 inclusive.

Please be advised that if weather conditions become unsuitable, discharge must cease and authorization may be revoked. All other clauses in Environment Act Licence 2284 RRRR remain in effect.

If you have any questions, please contact Kaley Giffin, Environment Officer, Environmental Compliance and Enforcement, at Kaley.Giffin@gov.mb.ca or 204-903-6552.

Sincerely,

Yvonne Hawryliuk
Director
