

Photograph 1. View west along the proposed pipeline right-of-way (RoW) in the SW ¼ 01-02-28WPM taken at the north-south quarter section line (September 2011).

Photograph 2. View west along the proposed pipeline RoW in the SW ¼ 01-02-28WPM taken from the mid-point of the quarter section (September 2011).

Photograph 3. View east along the proposed pipeline RoW in the SW $\frac{1}{4}$ 01-02-28WPM taken at the north-south quarter section line (September 2011).

Photograph 4. View east along the proposed pipeline RoW in the SW $\frac{1}{4}$ 01-02-28WPM taken at the midpoint of the quarter section (September 2011).

Photograph 5. View west along the proposed pipeline RoW in SW ¼ 06-02-27WPM (September 2011).

Photograph 6. Another view west along the proposed pipeline RoW in SW ¼ -06-02-27WPM (September 2011).

Photograph 7. View west along the proposed pipeline RoW, taken from the east boundary of SE ¼ -06-02-27WPM (September 2011).

Photograph 8. View east along the proposed pipeline RoW in SE ¼ -06-02-27WPM (September 2011).

Photograph 9. View east along the proposed pipeline RoW, taken at the west boundary of SW ¼ -05-02-27WPM (September 2011).

Photograph 10. View west along the proposed pipeline RoW in SE ¼ -05-02-27WPM, taken at the mid-point of the quarter section (September 2011).

Photograph 11. View east along the proposed RoW in SE ¼ -05-02-27WPM (September 2011).

Photograph 12. Another view east along the proposed RoW in SE ¼ -05-02-27WPM (September 2011).

Photograph 13. View east along the proposed pipeline RoW in SE ¼ -05-02-27WPM, taken at the mid-point of the quarter section (September 2011).

Photograph 14. View north over the proposed drainage crossing in SE ¼ 05-02-27WPM (September 2011).

Photograph 15. Closer view north over the proposed drainage crossing in SE ¼ 05-02-27WPM (September 2011).

Photograph 16. View west over SE ¼ -05-02-27WPM, taken at the proposed Highway 83 crossing (September 2011).

Photograph 17. View east over SW $\frac{1}{4}$ -04-02-27WPM, taken at the proposed Highway 83 crossing (September 2011).

Photograph 18. View west along the proposed pipeline RoW in SW $\frac{1}{4}$ -04-02-27WPM (September 2011).

Photograph 19. View east over the shelter-belt crossing, taken at the west boundary of SE ¼ -04-02-27WPM (September 2011).

Photograph 20. View west along the proposed pipeline RoW, taken at the east boundary of SE ¼ 04-02-27WPM near an old school site (September 2011).

Photograph 21. View east along the proposed pipeline RoW, taken at the west boundary of SW ¼ -03-02-27WPM (September 2011).

Photograph 22. View west along the proposed pipeline RoW, taken at the east boundary of SW ¼ -03-02-27WPM (September 2011).

Photograph 23. View east along the proposed pipeline RoW in the SE ¼ -03-02-27WPM (September 2011).

Photograph 24. Another view east along the proposed pipeline RoW in the SE ¼ -03-02-27WPM, taken from the west boundary of the quarter section (September 2011).

Photograph 25. View west along the proposed pipeline RoW in SE ¼ -03-02-27WPM, taken from the west shore of the Antler River (September 2011).

Photograph 26. View east over the proposed pipeline RoW near the proposed Antler River crossing in the SE ¼ -03-02-27WPM, taken from the west side of the river (September 2011).

Photograph 27. View west over the proposed pipeline RoW near the proposed Antler River crossing in the SE ¼ -03-02-27WPM, taken from the west side of the river (September 2011).

Photograph 28. View north upstream along the Antler River, taken at the proposed river crossing in the SE ¼ -03-02-27WPM (September 2011).

Photograph 29. View south downstream along the Antler River, taken at 100 m north of the proposed river crossing in the SE¼ -03-02-27WPM (September 2011).

Photograph 30. View north upstream along the Antler River, taken at 100 m north of the proposed river crossing in the SE¼ -03-02-27WPM (September 2011).

Photograph 31. View north upstream along the Antler River, taken at 100 m south of the proposed river crossing in the SE¼ -03-02-27WPM (September 2011).

Photograph 32. View south downstream along the Antler River, taken at 100 m south of the proposed river crossing in the SE¼ -03-02-27WPM (September 2011).

Photograph 33. View west over the proposed Antler River crossing, taken from the east side of the river crossing in the SE¼ -03-02-27WPM (September 2011).

Photograph 34. View west along the proposed pipeline RoW, taken from the east bank of the Antler River in the SE¼ -03-02-27WPM (September 2011).

Photograph 35. View west along the proposed pipeline RoW, taken from a ridge on the east bank of the Antler River in the SE ¼ -03-02-27WPM (September 2011).

Photograph 36. View east along the proposed pipeline RoW in the SE ¼ -03-02-27WPM, taken from east of the Antler River (September 2011).
