

Photograph 71. View of flood waters in September at the river crossing between NE ¼ -19-01-26 WPM and SE ¼ -30-01-26WPM (September 2011).

Photograph 72. View of government road allowance access into SE ¼ -30-01-26WPM (September 2011).

Photograph 73. View east along the proposed pipeline RoW on flood plain in SE ¼ -30-01-26 WPM (west side of Souris River) (September 2011).

Photograph 74. Another view east along the proposed pipeline RoW on flood plain in SE ¼ -30-01-26 WPM (west side of Souris River) (September 2011).

Photograph 75. View east along the proposed pipeline RoW in SE ¼ -29-01-26 WPM (September 2011).

Photograph 76. View east along the proposed pipeline RoW in SW ¼ -28-01-26 WPM (September 2011).

Photograph 77. View west along the proposed pipeline RoW in SE ¼ -28-01-26 WPM (September 2011).

Photograph 78. View west along the proposed pipeline RoW in SW ¼ -27-01-26 WPM (September 2011).

Photograph 79. View east along the proposed pipeline RoW in SW ¼ -27-01-26 WPM (September 2011).

Photograph 80. View east along the proposed pipeline RoW in SE ¼ -27-01-26 WPM (September 2011).

Photograph 81. View west along the proposed pipeline RoW in SE ¼ -27-01-26 WPM (September 2011).

Photograph 82. View north along the proposed pipeline RoW in SW ¼ -26-01-26 WPM (September 2011).

Photograph 83. View east along the proposed pipeline RoW in SW ¼ -26-01-26 WPM (September 2011).

Photograph 84. View east along the proposed pipeline RoW at a wet low area in NW ¼ -23-01-26 WPM (September 2011).

Photograph 85. View east along the proposed pipeline RoW in NW ¼ -23-01-26 WPM (September 2011).

Photograph 86. View west along the proposed pipeline RoW in NW ¼ -23-01-26 WPM (September 2011).

Photograph 87. View west along the proposed pipeline RoW in NE ¼ -23-01-26 WPM (September 2011).

Photograph 88. View east along the proposed pipeline RoW at a wet low area in NE ¼ -23-01-26 WPM (September 2011).

Photograph 89. View west along the proposed pipeline RoW at a wet low area in NE ¼ -23-01-26 WPM (September 2011).

Photograph 90. View east along the proposed pipeline RoW in NW ¼ -24-01-26 WPM (September 2011).

Photograph 91. View west along the proposed pipeline RoW in NE ¼ -24-01-26 WPM (September 2011).

Photograph 92. View east along the proposed pipeline RoW in NE ¼ -24-01-26 WPM (September 2011).

Photograph 93. View east along the proposed pipeline RoW at a low area in NW ¼ -19-01-25 WPM (September 2011).

Photograph 94. Another view east along the proposed pipeline RoW at other low areas in NW ¼ -19-01-25 WPM (September 2011).

Photograph 95. View west along the proposed pipeline RoW at a low area in NW ¼ -19-01-25 WPM (September 2011).

Photograph 96. View east along the proposed pipeline RoW in NW ¼ -19-01-25 WPM (September 2011).

Photograph 97. View west along the proposed pipeline RoW at a wet low area in NW ¼ -19-01-25 WPM (September 2011).

Photograph 98. View east along the proposed pipeline RoW at a drainage crossing in NE ¼ -19-01-25 WPM (September 2011).

Photograph 99. View west along the proposed pipeline RoW in NE ¼ -19-01-25 WPM (September 2011).

Photograph 100. Another view west along the proposed pipeline RoW in NE ¼ -19-01-25 WPM (September 2011).

Photograph 101. View east along the proposed pipeline RoW at a dry low area in NW ¼ -20-01-25 WPM (September 2011).

Photograph 102. View west along the proposed pipeline RoW in NE ¼ -20-01-25 WPM (September 2011).

Photograph 103. View east along the proposed pipeline RoW at a drainage crossing in NW ¼ -21-01-25 WPM (September 2011).

Photograph 104. View east along the proposed pipeline RoW in NW ¼ -21-01-25 WPM (September 2011).
