Dear Mr. Bowen:

Re: Environment Act Licence No. 3107 – Notice of Alteration: Central Cofferdam Extension

This letter will acknowledge receipt of your letter, dated June 10th, 2015, regarding the proposed alteration to Environment Act Licence no. 3107 issued to Keeyask Hydropower Limited Partnership for the Keeyask Generation Project.

Your letter requests an alteration to extend the Central Dam Cofferdam north to tie into the Powerhouse Cofferdam.

As the potential environmental effects resulting from the proposed alteration are not significant and can be addressed through existing licensing conditions and associated protection measures, the alteration is hereby approved pursuant to Section 14(2) of the Environment Act.

Should you have any questions about the review process, please contact Darrell Ouimet at (204) 803-1389 or Darrell.Ouimet@gov.mb.ca.

Yours truly,
