

Notice of Dangerous Goods Handling and Transportation Act Application

Conservation and Water Stewardship has received an application pursuant to *The Dangerous Goods Handling and Transportation Act* from the following operation and invites public participation in the review process:

EVERGREEN ENVIRONMENTAL TECHNOLOGIES – WASTE BATTERY, USED OIL AND PESTICIDE CONTAINERS COLLECTION FACILITY - FILE: 5626.00

A Dangerous Goods Handling & Transportation Act Application has been filed by Evergreen Environmental Technologies for the continued operation of a used oil products and material depot, a waste battery transfer depot and a pesticide container collection depot located at NE ¼ 11-14-17 W in the Rural Municipality of Odanah, Manitoba (at the waste disposal grounds at that location). The facility will accept used oil and used oil containers and filters, waste lead acid batteries and pesticide containers store them temporarily and then send them to licenced receivers/recyclers.

Anyone likely to be affected by the above operation and who wishes to make a representation either for or against the application should contact the Department, in writing or by E-mail (adrian.jackson@gov.mb.ca), not later than February 25, 2013. Further information is available from the Public Registries located at 123 Main St. (Union Station) Main Floor, Winnipeg; the Millennium Public Library, 4th Floor, 251 Donald St., Winnipeg; and the Manitoba Eco-Network, 3rd Floor, 303 Portage Ave.; R.M. of Odanah Municipal Office, 49 Main Street South, Minnedosa; Online registry <http://www.gov.mb.ca/conservation/eal/registries/index.html> or by contacting Adrian Jackson, Environmental Engineer at 204-945-7108.

Information submitted in response to these applications is considered public information and will be made available to the applicant and placed on the public registry.
