

Notice of Environment Act Proposal

Conservation and Water Stewardship has received a proposal pursuant to *The Environment Act* regarding the following operation and invites public participation in the review process:

PFIZER CANADA INC. - PHARMACEUTICAL MANUFACTURING - BRANDON
FILE: 5642.00

An Environment Act Proposal has been filed by Mr. Ron Cherepuschak on behalf of Pfizer Canada Inc. for the continued operation of a pharmaceutical manufacturing facility located at 720, 17th Street East, in the City of Brandon, Manitoba. The facility will manufacture pharmaceutical quality estrogens by an extraction process from pregnant mare urine, with subsequent processing of the extracted estrogens into active pharmaceutical ingredients.

Anyone likely to be affected by the above operation and who wishes to make a representation either for or against the proposal should contact the Department, in writing or by E-mail (adrian.jackson@gov.mb.ca), not later than MAY 21, 2013. Further information is available from the Public Registries located at: Legislative Library, 200 Vaughan St., Winnipeg; Millennium Public Library, 4th Floor, 251 Donald St., Winnipeg; Manitoba Eco-Network, 3rd Floor, 303 Portage Ave., Winnipeg; Western Manitoba Regional Library, 1-710 Rosser Ave., Brandon; Online Registry, <http://www.gov.mb.ca/conservation/eal/registries/index.html> or by contacting Adrian Jackson at 204-945-7108.

Information submitted in response to this proposal is considered public information and will be made available to the proponent and placed on the public registry established in accordance with Section 17 of *The Environment Act*.
