

## **Notice of Environment Act Proposal**

Manitoba Sustainable Development has received a proposal pursuant to The Environment Act regarding the following operation and invites public participation in the review process:

### **RAKOWSKI RECYCLING - SCRAP PROCESSING AND AUTO WRECKING FACILITY – FILE: 5699.00**

2710331 Manitoba Ltd. o/a Rakowski Recycling has filed an Environment Act Proposal for the continued operation of a scrap processing and auto wrecking facility at 454 Archibald Street, in Winnipeg, Manitoba. The facility purchases materials containing ferrous and non-ferrous metals and removes non-metal components, then sorts, sizes, and packages the metals to ship off-site for further processing. The potential environmental effects of the development are air emission, noise and generation of hazardous wastes and solid waste.

**Anyone likely to be affected by the above operation and who wishes to comment on the proposal should contact Eshetu Beshada, Environmental Engineer, in writing or by email at [eshetu.beshada@gov.mb.ca](mailto:eshetu.beshada@gov.mb.ca) or by telephone at 204-945-7023, not later than June 12, 2018. Further information is available from the Online Public Registry: [www.manitoba.ca/sd/eal/registries/index.html](http://www.manitoba.ca/sd/eal/registries/index.html)**

Information submitted in response to this proposal is considered public information and will be made available to the proponent and placed on the public registry established in accordance with Section 17 of The Environment Act.
